## FOREWORD

This is your new SUBARU 360 SERIES Parts Price List. The prices in this book are effective December 15, 1970. All previous 360 Series Parts Price Lists should be destroyed.

In review of this book you will note that certain part numbers are preceded by an asterisk (\*) - this denotes that this part is interchangeable with another part. The part with which the part marked with an asterisk is interchangeable is listed below the marked part in the nomenclature column.

Dealers should place all orders for SUBARU parts directly with their distributor.
